Dear Sir:

Examiner Jackson is thanked for the courtesies extended undersigned counsel during the telephone interview of May 7, 2009. During that interview, Examiner Jackson confirmed that a new Amendment would be sent out in which a new reference was cited, and that the date of the November 12, 2008 Office Action had been restarted effective with the mailing date of the new Amendment which would be sent out on about May 12, 2009.

Supervisory primary Examiner Patricia Bianco is thanked for the courtesies extended undersigned counsel during the telephone interview of May 11, 2009, in which S.P.E. Bianco confirmed to the undersigned counsel that the date had been restarted, so that applicant would have the full six months in which to

respond beginning with the mailing date of the new Office Action which would be mailed on or about May 12, 2009.

Thus, S.P.E. Bianco assured the undersigned that no extension of time nor Notice of Appeal need be filed by the date of May 12, 2009 as the period for response had been restarted.

Accordingly, applicant has filed no response, and awaits receipt of the new Office Action.

It is believed that no fee is due. Should that determination be incorrect, Patent Office officials are hereby authorized to charge any deficiencies to our Deposit Account No. 19-2105 and to notify undersigned counsel in due course.

Should any outstanding formal matters or other issues remain, please telephone Terrence Brown at 703-684-5600 to resolve such.

Respectfully submitted,
